**DISCUSSION**

The Board of Health entered into Executive Session at 7:07 pm for the purpose of discussing Employment Matters – Personnel Matters under subsection Number 1 of Section 2 (c) of the Open Meetings Act.

Mrs. Gonzalez proposed the continuation of the temporary adjustment of hours for the CD/Immunizations Coordinator from 37.5 hours to 40 hours which was previously approved through December 31, 2021. Mrs. Gonzalez indicated that the demands of the position related to the ongoing pandemic response continue to be very high and require the position to work in excess of 40 hours per week. She also shared that the new COVID-19 grant funding would likely cover the additional salary costs tied to this adjustment.
